Warrior Group Receives 2011 Best of DeSoto Award

Warrior Group, a DeSoto-based general contractor that serves public and private commercial construction customers, has received the 2011 Best of DeSoto Award in the Permanent Modular Construction category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

This is the first year that a business has qualified as a Four-Time Award Winner. Various sources of information were gathered and analyzed to choose the winners in each category. The 2011 USCA Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.

About U.S. Commerce Association U.S. Commerce Association (USCA) is a New York City based organization funded by local businesses operating in towns, large and small, across America. The purpose of USCA is to promote local business through public relations, marketing and advertising. The USCA was established to recognize the best of local businesses in their community. Our organization works exclusively with local business owners, trade groups, professional associations, chambers of commerce and other business advertising and marketing groups. Our mission is to be an advocate for small and medium size businesses and business entrepreneurs across America. Additional information is available at www.uscaaward.com.

About Warrior Group

Warrior Group, based in DeSoto, Texas is a premier commercial construction contractor and a leader in the use of the PMC construction method (permanent modular construction) to delivery high quality, sustainable buildings on an accelerated construction schedule. The 14-year old company is one of the largest minority- and woman-owned general contractors in the U.S. with more than four million square feet of successfully completed projects in the last four years alone, and with an impressive roster of private and public sector clients across the United States. Warrior is dedicated to building long-term customer relationships by continually surpassing expectations and providing superior customer service. www.warriorconstruction.com.
